More than 120 exhibitors from 23 countries!
HVAC R EGYPT EXPO – ASHRAE 2019
Exhibitors’ Testimonials:

"It was a great experience for AMBER Capacitors, Pakistan, to participate in 4th HVAC Egypt Expo in IEB, the first such participation by AMBER in Egypt. The exhibition was very busy and well organized. We got a good number of visitors, and with a bit of luck hope to do good business in Egypt, as we did in Egypt very soon!"
Mr. Farhan.Ah.Ariin
Managing Director
Amber Capacitors, Pakistan

"The event was very well organized and focused ensuring visitors in the field of HVAC R, hence we were visited by good number of relevant individuals at all levels!"
Firdos Bhimani
Managing Director
Focus Air Conditioning Industries LLC

"With the increasing internationalization of the HVACR Egypt, it creates a very good opportunity for Chinese enterprises to explore Egyptian, African and Middle East markets. The exhibitors have achieved very satisfactory results."
Mingle Lv
Managing Director
Exhibition Co., Ltd

"I found the traffic very acceptable and sometimes overwhelming! I met with existing customers as well as prospects, consultants, architects and end-users. There is no way I could have met so many business people outside the show in the 3 days it was exhibiting. The best part was that they were all HVAC R industry-related, so I never felt I was wasting my time!"
Jeff Baxter
New Business Development Manager
Genesine Energy Systems Inc.

EXHIBITOR PROFILE:
What products are the visitors looking for?

Heat ing & Refrigeration
Ventilation, Air Movements & Ducts
Air Conditioning EQUIPMENTS & Systems
Thermal Insulation, Energy & Specialized Climate Control systems

- Heating Pumps, Heat Exchangers and Equipment
- Boilers and supplies
- Safety, Parts and Components
- Piping Systems
- Control Valves, Sensors and field Devices
- Cooling Towers
- Refrigeration Systems & Equipment
- Carrier Units
- Building Automation System
- HVAC Control & BMS
- Ducting Systems and Machinery
- Fans and Supplies
- Air Movements
- Heating Pumps, Heat Exchangers and Equipment
- Central Air Conditioning
- Commercial and Home Air Conditioning
- Tools & Accessories
- HVAC Industry Services
- Valves, Pumps, Pipes
- Installation Tools & Equipment
- Fittings, Components
- Mechanical Engineering Systems
- Insulation Systems for cooling, heating and sound
- Pre-Construction Systems
- Insulation Products
- Solar and Renewable Energy systems
- Energy-Saving Equipment
- Solar Cooling

VISITOR PROFILE:

- MEP Managers / Engineers
- HVACR Engineers
- Design Engineers
- Consultants
- Project Managers
- Facility Managers
- Contractor Companies
- Air-Conditioning Contractors
- Purchasing / Sales Managers
- Commercial Builders
- Home Builders
- HVAC R Contractors
- HVAC R Equipment suppliers
- Real Estate Professionals
- Government Agents
- CEO / Managing Director / Executive Director
- Marketing Managers

A UNIQUE GATHERING OF INVESTORS, SPEAKERS & EXHIBITORS
HVAC R EGYPT EXPO – ASHRAE provides the largest and most important platform for industry professionals to learn about the latest practices and global experiences, exchange of ideas, ideas, explore areas of collaboration and above all, to provide a platform for informative and interactive sessions in all HVAC R & Energy Industry related.

The conference features 6 dedicated conference tracks under the topic of “TOWARDS GREENER FUTURE TECHNOLOGY” & hosting over 40 expert speakers

FREE WORKSHOPS!
HVAC R EGYPT EXPO will host a series of educational interactive workshops that will expose attendees to the many diverse perspectives of research & latest technologies, FREE for all expo-badge holders!

Key themes include:
- Building Automation Elements.
- Ducting.
- HVAC Control & BMS.
- Classic control components PLC units, VFD & HMI.
- ASHRAE.
- Solar energy systems.

SCIENTIFIC PARTNER:

ASHRAE®, is a global society advancing human well-being through sustainable technology for the built environment. The Society and its members focus on building systems, energy efficiency, indoor air quality, refrigeration and sustainability within the industry. Through research, standards setting, publishing and continuing education, ASHRAE Cairo Chapter was established in 1995 and since then it has been contributing to the HVAC&R held in Egypt and the Middle East.
